

STEP 01

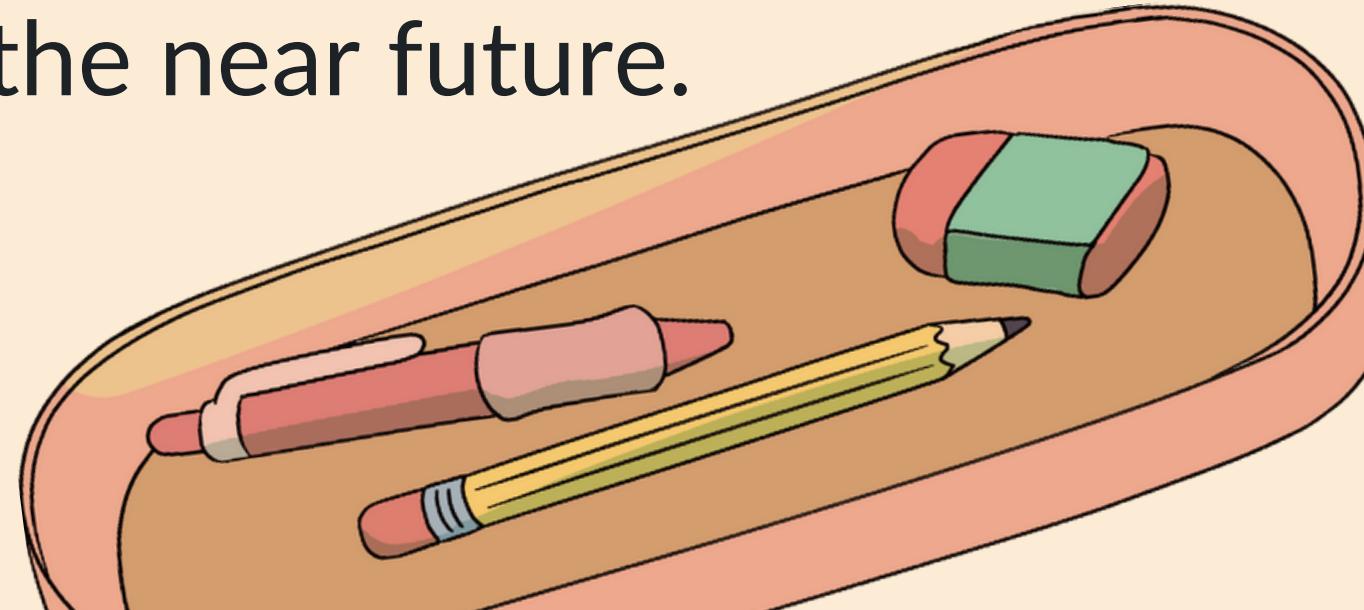

LET'S
CREATE AN
EXPA
ACCOUNT

Dear Newbies,

As an organization, we maintain professional communication with our stakeholders by refraining from the use of personal email addresses. As members of our AIESEC network, you too can obtain an AIESEC email account by following a few simple steps outlined in this booklet. Rest assured, we will provide additional guidance to create an email in the near future.

STEP 01

Head over to the aiesec.org page & click on login button.

The screenshot shows a web browser window with the URL 'aiesec.org' in the address bar. A red circle highlights the AIESEC logo in the top left corner. A red arrow points from the 'Login' button in the top right corner towards the 'Login' button on the page itself. The main content features the text 'Leadership is for every young person' with 'Leadership' underlined in blue. Below this, there is a description: 'Take part in one of our programs abroad, in your city, or virtually. Start your leadership journey with AIESEC.' To the right, there are two images of smiling young women, one with arms crossed and another with glasses. A small yellow star icon is located at the bottom center of the page.

STEP 02

Click on "Sign up here" option

The image shows a screenshot of a web browser displaying the AIESEC login page. The URL in the address bar is `auth.aiesec.org/users/sign_in?country=Sri+Lanka`. The page features a large, smiling man in the background. At the top right, there are links for "Having trouble understanding?" and "Switch language". Below the login form, there is a "Login to AIESEC" heading and a "Don't have an account? [Sign up here](#)" link. Two social media sign-in buttons are present: "Facebook" and "Google". A prominent red curved arrow points from the text "Click on 'Sign up here' option" at the top to the "Sign up here" link in the center of the page.

STEP 03

Fill it by giving correct information. (Remember your password)
